Description

Sweet Sun is a highly fragrant blend containing first-choice green tea with energizing and antioxidant properties, and cloves with anti-inflammatory action.

In addition to its beneficial effects, this tea also provides a magical moment thanks to the beautiful mix of flavors, scents, and colors. Imagine opening the package and being enveloped by an irresistible aroma of orange, apple with a delicate undertone of cloves, giving your sense of smell an initial moment of happiness. This sensation is like the atmosphere of a beautiful terrace in the sun of Sant'Angelo d'Ischia with the turquoise sea, the blue sky, dancing seagulls, and blooming bougainvillea decorating the cheerful colorful houses. Savor the pleasure of this green tea, a sensory journey that brings the taste and simplicity of those special moments directly into your cup.
