Description

The **mineral salts** contained in the **thermal water** combined with **wheatgerm oil,** sweet **almond oil, jaluronic acid** and **vitamin E**, make this cream unique.

It has a triple action:

- a moisturising effect: by allowing the skin to retain the essential amount of water, assuring it a firm and youthful look
- a softening effect: thanks to the presence of wheat-germ oil that makes the skin smooth and velvety
- a nourishing effect: the steady use of the product helps prevent wrinkles and reduces the already existing ones.
